## MVS FOUNDATION

THE MVS FOUNDATION WAS ESTABLISHED WITH A VISION TO HELP OTHERS. HELPING OTHERS IN SEVERAL COMPONENTS, INCLUDING FUNDING THEIR MISSION.

# MEET OUR PRESIDENT & CEO ERIC GOODMAN

Eric had a lifesaving operation at Loma Linda University Children's Hospital when he was 15 years old. He was in ICU for weeks, the hospital for months, and a full-body cast for eight months. He had to have therapy to learn how to walk again. This is the core reason he began working in healthcare and volunteering for numerous health related charities.

Eric also has a central belief in building relationships within the community. He has served on the Board of Directors for several prominent nonprofit organizations, including:

- Inland Empire Ronald McDonald House
- Developmental Services Network
- Fontana Foundation of Hope
- American Heart Association of Orange County and the Inland Empire
- Mountain Shadows Foundation
- California State University, Fullerton School of Business Center for Leadership
- Passkeys Foundation
- Team Kids

## MVS FOUNDATION | EXECUTIVE DIRECTOR CRYSTAL COOK

Crystal Cook began her business development career in credit union industry where she learned about philanthropy, volunteerism, and the people helping people philosophy. Crystal brings with her over two decades of industry experience, including large nonprofit health agencies serving as Executive Director for the American Heart Association, Inland Empire Division, as Senior Development Director with The Leukemia & Lymphomas Society, East Bay, San Francisco, North Bay, and Napa since March 2022.

Crystal resigned from her most recent role, with HomeAid Orange County serving those experiencing homelessness to stay home and serve her family, her boys (Jaxon, 5 and Tyler, 3) and shares what a blessing this has been. Today, Eric and Crystal have partnered on this journey to build out the MVS Foundation, and we are thrilled.
